THE SCHEDULE

(See section 25)

DECLARATION OF FIDELITY AND SECRECY

I, _____, do hereby declare that I will faithfully, truly and to the best of my skill and ability execute and perform the duties required of me as Chairman, member of the Board, member of the Executive Committee, auditor, officer or other employee (as the case may be) of the Delhi Milk Supply Corporation and which properly relate to the office or position in the said Delhi Milk Supply Corporation held by me.

I further declare that I will not communicate or allow to be communicated to any person not legally entitled thereto any information relating to the affairs of the Delhi Milk Supply Corporation or to the affairs of any person having any dealing with the Delhi Milk Supply Corporation; nor will I allow any such person to inspect or have access to any books or documents belonging to or in the possession of the Delhi Milk Supply Corporation and relating to the business of any person having any dealing with the Delhi Milk Supply Corporation.

STATEMENT OF OBJECTS AND REASONS

The Delhi Milk Scheme which was hitherto being run on a departmental basis by the Ministry of Food, Agriculture, Community Development and Co-operation (Department of Agriculture) has been operating at a loss, since its inception. It need not be gainsaid that it is an unenviable plight for a commercial organisation like the Delhi Milk Scheme. With a view to meeting this situation and to impart a degree of flexibility in its operation, it has been decided to convert the Delhi Milk Scheme into a Statutory Corporation. The Bill seeks to give effect to the said decision.

The paid-up capital of the Corporation shall be an amount not exceeding rupees seven crores as the Central Government may determine. This amount will be equal to the value of the assets on the date of conversion of Delhi Milk Scheme into Statutory Corporation (estimated to be Rs. 3.60 crores as on 1st of April, 1970). All non-recurring capital expenditure incurred by the Central Government for Delhi Milk Scheme shall be treated as a part of the paid-up capital provided by the Central Government to the proposed Corporation. The entire paid-up capital of the Corporation shall be held by the President of India. In addition, Central Government may also advance loan to the Corporation from time to time as working capital.

The functions of the Corporation will be mainly to ensure adequate supply of good milk and milk products, conforming to the standards of purity laid down under any law, for the time being in force, at a reasonable price. The Corporation has also been empowered to borrow money from a scheduled bank or any other banking institution approved by the Central Government. Repayment of the money borrowed by the Corporation will be guaranteed by the Central Government.

NEW DELHI;
The 10th August, 1970.

ANNASAHIB P. SHINDE.

PRESIDENT'S RECOMMENDATION UNDER ARTICLES 117 AND 274 OF THE CONSTITUTION OF INDIA

[Copy of letter No. 3-2/70-LD.I, dated the 22nd August, 1970 from Shri Annasahib P. Shinde, Minister of State in the Ministry of Food, Agriculture, Community Development and Co-operation to the Secretary, Lok Sabha.]

The President having been informed of the subject matter of the Bill to provide for the establishment of a corporation, for the purpose of acquiring, distributing and selling milk and milk products in the Union Territory of Delhi and other areas and for matters connected therewith or incidental thereto, recommends under Article 117(1) and (3) of the Constitution of India read with Article 274(1) thereof, the introduction of the Delhi Milk Supply Corporation Bill, 1970, in the Lok Sabha and also the consideration of the Bill by the Lok Sabha.

STATEMENT OF OBJECTS AND REASONS

The initial paid-up capital of the Delhi Milk Supply Corporation shall be an amount not exceeding Rs. 7 crores as the Central Government may determine [Clause 5(1) of the Bill]. This amount will be equal to the value of the assets on the date of conversion of Delhi Milk Scheme into a Statutory Corporation (estimated as Rs. 3.60 crores as on 1st of April, 1970). In addition, the Central Government may provide such further capital as may be required by the Corporation for carrying on the business of the Corporation or for any purpose connected therewith on such terms and conditions as the Central Government may determine [Clause 5(3) of the Bill]. The Central Government may also advance loan to the Corporation from time to time as working capital.

2. All assets and non-recurring expenditure of capital nature incurred by the Central Government for or in connection with the Delhi Milk Scheme up to the actual date of the establishment of the Corporation shall be treated as a part of the paid-up capital provided by the Central Government to the Corporation [Clause 5(2) and Clauses 7(1) and 7(2) of the Bill].

3. The Central Government may also guarantee the advances taken or monies borrowed by the Corporation from any scheduled bank or any other bank or banking institutions approved by the Central Government as to the repayment of the principal and the payment of the interest thereon and other incidental charges [Clause 6(2) of the Bill]. The ultimate liability arising out of such a guarantee is not expected to exceed Rs. 8 crores.

4. Inasmuch as the Corporation is to take over completely the assets and liabilities of the Delhi Milk Scheme and consequently that of the Central Government on the date of its conversion into Corporation, no liability on this account will accrue to the Central Government (Clause 7 of the Bill). Similarly, pay and allowances of the staff and pensionary and provident fund liability will also be borne by the Corporation, except in the case of those employees who do not opt to serve the Corporation in terms of the provisions contained in Chapter VI of the draft Bill. On the assumption that 90 per cent of the staff would opt to come under the Corporation, the liability of the Central Government in respect of the remaining 10 per cent of the staff will not exceed Rs. 50 lakhs being the capitalised value of the liability on account of pension and provident fund spread over 15 years plus Rs. 10 lakhs per annum on account of pay and allowances of the remaining staff.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 31 of the Bill empowers the Central Government to make rules to give effect to the provisions of the Act. The matters in respect of which such rules may be made relate to the purchase, sale, storage, transportation or distribution of milk or milk products by the Corporation and also the term of office of the members of the Board and the remuneration and fees to be paid to them, etc.

Clause 32 of the Bill empowers the Corporation to make, with the previous sanction of the Central Government, regulations, not inconsistent with the provisions of the Act and the rules made thereunder. The power of making regulations is confined to the appointment of officers and employees of the Corporation, their duties and functions and also the duties and functions which may be entrusted or delegated to the Managing Director, regulation of the meetings of the Board of the Executive Committee and the fees and allowances payable to the members of the Executive Committee.

All these relate to matters of detail or procedure and as such the delegation of legislative power is of a normal character.

S. L. SHAKURTEL,
Secretary.
